Construction to begin on US Highway 12 from Rhame to Marmarth May 31

Construction will begin Tuesday, May 31, on US Highway 12 from Rhame west to Marmarth. Work consists of re-grading and widening the roadway.

During construction:

- Speeds will be reduced
- Width restriction will vary but will be updated accordingly on <http://www.dot.nd.gov/travel-info/>
- Flaggers may be present
- Pilot cars will be used in work areas
- Gravel may be present on the roadway
- Fresh oil may be present on the roadway
- The roadway may be soft and slippery during inclement weather
- Motorists may experience delays of up to 20 minutes

This project is expected to be complete by mid October.

Rear end crashes are the most common in work zones. Motorists are encouraged to slow down, allow extra distance between their vehicles and the vehicle in front of them, use caution, and obey flaggers and posted signs.
